4. **Minutes of the last meeting:**  
   Acceptance and signature of the minutes of the Parish Council meeting of 26th January 2015. Proposed Cllr Salisbury, seconded Cllr. Deane, approved and signed.

5. **Matters Arising:**
   **B4215:**  
   Road markings, .. At the meeting on Feb 9th Amey admitted that there were big problems with the road markings as the 3 metre width of the first lane was measured from the opposite side of the road from Buttermilk Lane and they 'ran out of road width' before they got to the bus stop and filter lane markings as there were only 2 metres left, the road does not conform to width regulations. The bus stop markings are to be re-instated and re-routed, the matter is to go to the Safety Committee and if the proposal is approved the road will be closed for 1 day to remove existing markings and cats eyes and to re-instate the corrected ones. This was the white lining sub-contractors fault and nothing to do with the Parish Council. The idea of a warning sign from the Gloucester direction before Buttermilk Lane was not accepted. The proposal of moving the bus stop to the old road was also not an option. A letter is to be written to Brian Watkins and Amey suggesting the possibility of replacing the bus stop markings on the Gloucester side of the Tibberton junction.

   **Tibberton Dump:**  
   Quotes are to be obtained for securing hinge end. Brian Watkins is to be asked when the promised padlock and chain would be provided. Cllr Wallace is to be asked.

   **River Leadon:**  
   Leave on Agenda.

   **Elections:**  
   Seven councillors are needed, forms are available and Cllr Deane will deliver them all back to Coleford on 8th April.

   **Neighbourhood Watch:**  
   A co-ordinator is needed for Whitehall Lane. Cllr Pugh will contact Paul Dando and if he’s not interested Cllr Pugh will take on the task.

   **Standing Orders:**  
   New standing orders were adopted, proposed by Cllr Salisbury and seconded by Cllr Deane.

6. **Planning:**  
   **Rudford Farm Appeal:** This was turned down and the land has to be re-instated to it’s original state.

7. **Correspondence:** None.

8. **Finance:**  
   Agreeing Internal Checker: To be confirmed by new Council. The new financial Regulations will go before the new Council for adopting. And the accounts will also need approval by the new Council at the meeting on 18th May.

   Cllr Horne said that objections to the proposed solar panels at Malswick need to be in as soon as possible. FODC now have in-house I.T. and are a 20-20 vision Council.
9. **Public Session**: There has been trouble at Alison House again. The Police were called but were diverted to an accident so didn’t attend. It is under the ownership of Marlowe Child and Family Services. The manager is to be invited to attend a Parish meeting to keep us in the loop.

Meeting closed 8.20pm.
